

A circular painting of a winter landscape. In the foreground, there are several snow-covered evergreen trees. In the middle ground, a small, dark-roofed house is visible, partially obscured by more snow-covered trees. The background shows a hazy, snow-covered landscape under a pale sky. The overall style is impressionistic with visible brushstrokes.

*Přejeme všem občanům
krásné prožití Vánoc a mnoho štěstí,
zdraví a životní pohody
v roce 2014!*
